Northwest Hockey League (NWHL)

The South Suburban Hockey League has merged with the Northwest Hockey League to create one large league for Chicagoland. The NWHL now has 25 member clubs, which means for more teams and stronger competition. Arctic has always competed well in the SSHL and it will be exciting to see how we fare in this new league. Please visit www.nwhleague.com to learn more about our new league.

Tiering within the league

The NWHL tiers each division in order to maintain stronger play for the skaters. In tiering, the goal is to match teams up as evenly as possible to prevent high goal differentials. Each division will play a tiering round prior to regular season. Tiering round results will separate teams in 2-4 tiers within a division. In 2013-2014, the mites and bantams had two tiers, and the squirts and peewees had 3 tiers. After regular season play, the teams are tiered again in order to be placed appropriately in play-offs. The NWHL operates under the belief that on any given day, any team can win. They re-tier twice to ensure that fair play is consistent throughout the season.

Creating teams based on parity

Although the league tiers, all clubs must follow the AHAI rule that house league teams are still created based on parity. This means that when doing team evaluations, the talent level is split evenly amongst the teams. The NWHL has VERY strict procedures on how to do this properly and Arctic will follow these procedures. Even though at the beginning of the season teams are even, by mid or end of season, they will pull away from each other because of different coaching styles and the rate in which skaters improve. Please see evaluation information to learn more about the evaluation process.

2014-2015 Mite Play

The NWHL follows the AHAI model for Mite house league play. Mite teams will play 9, full ice games after December 1, 2014. This leaves room for 2 tournaments for each team if they desire. These 9 games include tiering round games. Prior to Dec. 1, mite teams can ONLY play half ice or cross ice games. The NWHL allows teams to schedule, at their discretion, as many half ice games as they desire. HF will be hosting the 8th annual Mite Fright Jamboree in October and hopes to pull in NWHL teams. Play-off games don't count toward 15 game maximum, therefore those games are additional to tiering and season.

2014-2015 ARCTIC JR. FURY REGISTRATION

Schedules

Upon completion of Rating sessions, coaches hold draft and assemble teams on parity. Schedules will be issued for team practices and powerskates for each playing level.

Body Checking Clinic

All Bantams are required to attend a checking clinic before games commence. The first 2 powerskates of the season for Bantams, coach Chris Cimoch will conduct and run a U.S.A hockey approved checking clinic.

(Fee: No Charge)

Goalie Training

Weekly goalie training sessions will be held on the weekends during our ADM Minor Mites ice slots. Dates and Times TBD.

House League

House League is our developmental / recreational hockey program. The emphasis of our league is on individual player development. Time commitment is approximately 2-3 hours per week for either practices and/or games, which are generally on the weekends. Powerskate is during the week. Home games are played at Arctic Ice Arena, and away games will be played at local rinks VS other clubs. In addition, house teams may participate in up to 3 tournaments, including no more than one out of state. Mites are limited to the amount of tournaments per AHA regulations.

Included in fees for 2014-2015 season

Powerskates, goalie training, weekly practices, league games, one pair of game socks, two game jerseys (home/away), and league team fees. Other possible fees include all tournaments, travel, registrations and permits, team parties, apparel, or extra ice time. Due to high cost of goalie equipment, house goalies will receive a 35% discount.

Arctic is committed to excellence in our house league program. Each player will receive extensive evaluation during the course of the season, highlighting skills that need improvement.
