## House/Travel program

The Arctic Jr Fury hockey program is a house/travel that is based out of the Arctic Ice Arena of Orland Park. Players who are interested in participating should have some playing experience. The program is not intended for brand new hockey players. Teams are offered at the levels of U-8 Mite (players born in 2009/2010), U-10 Squirt level (players born in 2007/2008), U-12 Peewee (players born in 2005/2006), and U-14 Bantam (players born in 2003/2004). The season begins in early September and runs through the beginning of March. Teams will average one power-skate, one practice, and one game a week for the majority of the season. Power-skates are on Mondays/Fridays. Practices and games are Saturdays/Sundays. Home games are played at Arctic Ice Arena, and away games will be played at rinks vs other clubs in the Northwest Hockey League (NWHL).

## Northwest Hockey League (NWHL)

The Arctic Jr. Fury competes in the Northwest Hockey League. Teams will play 18 regular season games divided up into two rounds and compete in an end of season tournament. The U-8 level participates in cross ice games to begin the season followed by 9 games divided into 2 rounds. The NWHL and the Arctic Jr. Fury focus on balanced playing time for everyone, an emphasis on skill development, sportsmanship, and developing a love for the game. Please visit [www.nwhleague.com](http://www.nwhleague.com) to learn more about the league.

## House League Registrations

All registrations for Arctic Jr. Fury hockey must be done in-person at the Arctic Ice Arena. 2017-2018 USA hockey insurance is required for all players at time of registration. All new Arctic Jr. Fury players must show proof of birth year with a copy of a birth certificate. Teams are considered full with 15 skaters and 2 goalies, however the program reserves the right to add players based on circumstance. Additional teams will be opened at each level based on demand and availability of additional practice and game ice. Registration is on a first-come, first serve basis until rosters are full. Multiple teams will be formed when a sufficient number of players register. Wait-listed player's registration will be refunded if they cannot be placed on a team. AAA, CSDHL, or NIHL ELITE players are not allowed to play on a "House Jr. Fury team."

## Tiering within the League

The NWHL tiers each division in order to maintain stronger play for the skaters. In tiering the goal is to match teams up as evenly as possible to prevent high goal differentials. Each division will play a tiering round prior to regular season. Tiering round results will separate teams in 2-4 tiers within a division. After regular season play, the teams are tiered again in order to be placed appropriately in play-offs. The NWHL operates under the belief on any given day, any team can win. They re-tier twice to ensure that fair play is consistent throughout the season.
