OUR GOAL

Development of a young hockey player is so very important. Our staff wants what is absolutely best for each individual players development, which is why we focus on the fundamental skills during Introduction To Hockey. Every player progresses at a different rate. Our goal as coaches is to make sure each player is placed where they need to be to help their development the most, and move on to the next step when they're ready!

**PLEASE DIRECT ALL QUESTIONS TO HOCKEY DIRECTOR, RYAN HOLKE,
